

It is my understanding that Banks are trying to weaken the "No call list". I am writing to express my opposition to this as unsolicited calls are NOT wanted - at least in my home. Quite frankly, it's been nice not having the phone ring all hours of the day for nothing other than solicitation. I believe we should have a right to peace and quiet in our homes, and I don't want to waste my time talking to solicitors of ANY kind. If I need a specific service I would seek one out myself. Thank You.
